ACADEMIC

S. No.	Degree	Institution	Year
1.	B.Sc.	St. Mary's College, Tuticorin, Madurai Kamaraj University	1982
2.	M.Sc.	Holy Cross College, Nagercoil, Madurai Kamaraj University	1984
3.	B. Ed.	Annamalai University	1986
4.	Ph. D.	Loyola College, Chennai, The University of Madras	1990
5.	CGT	Madurai Kamaraj University	1991
6.	DHRD	Annamalai University	2007

Area of Specialization/ Interest : Agricultural Entomology

Teaching Experience : (UG & PG) - 25 years
: M.Phil. - 7 years

RESEARCH CONTRIBUTIONS

- Guiding Ph. D. : 4 Scholars
- M. Phil. Awarded : 8 Scholars

PRESENTATION

- UGC sponsored National Conference on Recent Trends in Physics “AFM studies on the morphology of earth worms exposed to different diets” on 23rd & 24th March, 2009, at J.A. College, Periyakulam
- UGC sponsored National conference on “conserve mother earth – the need of the hour”- “Herbal Vermicompost tested on the selected vegetable crops and oyster mushroom” on 9th & 10th March 2009, at J.A. College, Periyakulam
- UGC sponsored National conference on “conserve mother earth – the need of the hour”- The status of enzymes and microbes in the gut of earthworms fed with the balanced diet on 9th & 10th March 2009, at J.A. College, Periyakulam
- The first International seminar on Biocosmology1. “Is cultural pluralism an indicator of good health “Do new epidemics set trends to explore traditional medicines” on July 22nd -25th 2010 at Veliky Novgorod state university, Russia
- 11th Asian Bioethics Conference. “Bioethics and Climate Refugees” on 1-2 August 2010 at National University of Singapore
- 11th International Conference on Public communication of Science & Technology Why INO progress is slow? A case study on 6 – 10 Dec. 2010 at New Delhi
- Two day National Seminar on enhancing the quality of teaching & learning methods in HE. Challenges of HE to enhance the devt. of rural students on 9th & 10th Dec, 2011 at Selvam Arts Science College, Namakkal, TN.
- II National symposium on crop productivity, food safety and environmental conservation Testing on Biophysical aspects of earthworm exposed to Various substrates on 19th & 20th Nov. 2012 at Mangala towers, Thrissur, Kerala

PUBLICATION
